

Team Building

Staff Training

Not All Bad staff training is great fun, extremely challenging and very hard work, to quote a prominent prison director 'there's nothing like it to encourage a team to bond'

Programmes aim to instil and increase an individual's

- teamwork/spirit
- self discipline
- tolerance
- determination

And the whole team's

- dynamics
- team pride
- initiative
- resilience

while helping them to realise their potential. Each one day programme is designed to best suit the needs of the individual through meticulous planning and consultation with the client/sponsoring organisation. Problem solving tasks are inter-dispersed with discussions, debates and mental challenges.

'I got some valuable insights into how my new team were up for a challenge'
